Trimegah Receives 'A+(idn)' Rating from Fitch with Stable Outlook

Jakarta, August 13, 2026 – PT Trimegah Sekuritas Indonesia Tbk ("Trimegah") has received its first National Long-Term rating of 'A+(idn)' with a Stable Outlook from Fitch Ratings Indonesia ("Fitch"), marking a significant milestone in Trimegah's development and further strengthening its position in the Indonesian capital market.

The rating reflects Fitch's assessment of Trimegah's established track record and business position, its diversified business profile, and its competitive position, which is supported by Trimegah's relationships and experience in the capital markets. Fitch also considered Trimegah's strong financial and capital profile as factors supporting the rating.

Trimegah has built a diversified business platform across key sectors of the Indonesian capital market, including brokerage of equity and debt securities, investment banking, research, financial advisory, and financing activities. This diversification enables Trimegah to serve a wide range of client needs while participating in various segments of the capital market.

Fitch's rating also reflects Trimegah's well established market position and the strength of its business, built on experience and relationships developed over many years. These strengths are supported by Trimegah's commitment to maintaining financial discipline and implementing prudent risk management as it expands its business.

The Stable Outlook reflects Fitch's expectation that Trimegah will maintain its current business and financial profile, supported by its established market position and diversified business activities. Going forward, Trimegah will continue to build on its existing business foundation, strengthen its capabilities, and drive sustainable growth while maintaining financial discipline and implementing prudent risk management.
